PERMIT CONDITIONS

This permit is issued to Mr. Robert Misiewicz, for the interstate movement of the regulated MOTH listed above from Washington Township, MI to destinations in California. All these conditions MUST be followed.

1.
 - This permit is issued by the United States Department of Agriculture's Animal and Plant Health Inspection Service (APHIS). It conveys APHIS regulations and requirements for the material(s) listed on this permit. It does not reduce or eliminate your legal duty and responsibility to comply with all other applicable Federal and State regulatory requirements.
 - The permit number or a copy of the permit must accompany the shipment.
 - You must be an individual at least 18 years old, or legal entity such as partnership, corporation, association, or joint venture.
 - You are legally responsible for complying with all permit requirements and permit conditions.
 - If you violate any applicable laws associated with this permit, you may face substantial civil or criminal penalties. We may cancel all current permits and deny future permit applications.
 - Without prior notice and during reasonable hours, authorized Federal and State Regulators must be allowed to inspect the conditions associated with the regulated materials/organisms authorized under this permit.

2. The permit holder must:

- maintain a valid PPQ526 permit so long as the regulated materials/organisms are alive or viable,
- not assign or transfer this permit to other persons without APHIS PPQ authorization,

WARNING: Any alteration, forgery or unauthorized use of this Federal Form is subject to civil penalties of up to \$250,000 (7 U.S.C.s 7734(b)) or punishable by a fine of not more than \$10,000, or imprisonment of not more than 5 years, or both (18 U.S.C.s 1001)

- maintain an official permanent work assignment, residence, or affiliation at the address on this permit,
- notify the Pest Permit Staff as soon as possible of any change in the permit holder's work assignment, residence, or affiliation,
- notify the Pest Permit Staff of the receipt of unauthorized and/or misdirected shipments of regulated materials/organisms,
- adequately mitigate environmental impacts resulting from unauthorized release of regulated materials/organisms and notify the Pest Permit staff immediately if one occurs,
- notify the Pest Permit Staff if the facility is damaged/destroyed or if you wish to decommission the facility,
- destroy all regulated materials/organisms prior to departure from the organization unless other arrangements are confirmed by the Pest Permit Staff.

Notifications to the Pest Permit Staff must be made via 866-524-5421 or pest.permits@aphis.usda.gov within one business day of the event triggering a notification.

3. All persons working with the listed regulated materials/organisms must be informed of these permit conditions. Anyone working with these materials/organisms must agree to and sign/initial these conditions before beginning work. These signed conditions do not need to be submitted to USDA/APHIS but must be readily accessible and made available to Federal and State regulators upon request.

Note: these conditions may be copied and stored electronically for electronic signature and initialing provided that the permit number, authorized materials/organisms and life stages, release locations if applicable, and authorization statement all appear on the document with the permit number. Signing these conditions only indicates that the person working under this permit has read them; the permit holder is the sole responsible party under this permit.

4. This permit does not authorize receipt of any organisms at the above address/location.
5. The permit holder is to ensure that shipments are not contaminated with any additional plant pests, pathogens, plant materials, or soil.
6. This permit does not authorize environmental release of any regulated organisms.

WARNING: Any alteration, forgery or unauthorized use of this Federal Form is subject to civil penalties of up to \$250,000 (7 U.S.C.s 7734(b)) or punishable by a fine of not more than \$10,000, or imprisonment of not more than 5 years, or both (18 U.S.C.s 1001)

7. This permit does not authorize drop shipping. Drop shipping includes any shipments of regulated organisms made to customers from other producers or suppliers. These shipments do not originate from your address. These shipments may include filling orders on your behalf. Each shipper must have a permit issued to them authorizing the interstate movement of the specific regulated organism to each destination. As a permit holder, your permit does not cover the activities of other shippers. Each permit holder remains responsible for determining if another entity possesses a valid 526 Plant Pest Permit for each regulated organism prior to requesting any regulated organism be shipped on their behalf.
8. Each shipment must include a hard-copy of the letter that accompanies this permit. This letter provides (1) reasons that the regulated organisms cannot be released into the environment, (2) a statement prohibiting further distribution of regulated organisms, and (3) disposal instructions for regulated organism. Separately sent communications are not sufficient to meet this requirement. Failure to enclose a hard-copy of the letter in any shipment is cause for this permit to be cancelled and fines assessed.
9. The permit holder must keep records of all shipments sent under this permit for a period of three (3) years after the shipping date. All records retained under this permit must be made available to Federal and State regulators upon request.
10. All regulated organisms must be derived from F1 or later genetic stock bred in the United States.
11. The regulated organisms must be shipped in escape proof containers held within a secure box.
